EAST BARRE.

A quite wedding took place this morning at 6 o'clock in the Roman Catholic church at Westerville, when Arthur Mercier and Chloea Fletcher were united in the bonds of holy matrimony.

On Tuesday evening the Foresters' building was lighted and decorated, both stories. The ladies of Barre kindly came to help us institute our lodge of Lady Foresters. Forty-one members were initiated, and the following officers appointed: Chief companion, George Lawson; sub. chief companion, Mrs. Lilla Blanchard; financial secretary, Mrs. G. N. McArthur; recording secretary, Mrs. Carrie Crowley; treasurer, Mrs. George Lawson; right guide, Mrs. Joe Rock; left guide, Mrs. Estella Lapin; inner guardian, Miss Emma Mayo; outside guardian, Dr. J. H. McArthur.

After the installation of officers a social time was enjoyed. Tables with good things were laid below, not the least conspicuous of the provisions being the abundance of fruit furnished us by the kindly courtesy of Phil Sheridan Lodge. Business all over, feasting and merriment abounded far into the night.

Many thanks were extended to the Barre lodge, and to both the sisters and the brothers of our own lodge who assisted in making the evening a success.

Timely Advice!

A young man once did serenade
A charming little belle,
But she told him his apparel
Did not suit her very well.
She said: "A suit with a Suit
That does not suit his pearl!"

Had better get another Suit
Or find another girl."
She said: "You buy a 'Korn' Suit,"
And the young man never tarried.
He bought a Suit that was a "beaut!"
And now the two are married.

WE HAVE "KORN" MADE CLOTHES

that will suit the most particular belle in the country.
Prices range from \$5.00 to \$20.00. Call and see them.

CHEAPER GAS FOR BARRE

The Gas Company started out to furnish gas to its customers for all domestic purposes at a price of \$1.50 per one thousand cubic feet, with a discount of 25 cents per one thousand feet on all bills that are paid by the 10th of each month for gas consumed the previous month.

The Company adopted the policy from its start to reduce the price of gas as the increase of its business would permit, and in accordance with this policy, and of the generous support given by the citizens, we wish to announce that on and after June 1st, 1905, and until further notice, the price of gas to the ordinary consumer will be reduced 10 cents per one thousand feet, making the net price \$1.15 per one thousand feet if the bills are paid by the 10th of each month for all gas consumed the previous month, and for those consuming gas in large quantities the following graduated scale has been adopted, and the discounts are made from the established price of \$1.50 per one thousand cubic feet:

Any amt. up to and includ'g 3000 cub. ft. per month, disc't 35c, net price \$1.15
Over 3000 up to and includ'g 5000 cub. ft. per month, disc't 40c, net price 1.10
Over 5000 up to and includ'g 10000 cub. ft. per month, disc't 45c, net price, 1.05
Over 10000 up to and includ'g 20000 cub. ft. per month, disc't 50c, net price, 1.00
Over 20000 up to and includ'g 30000 cub. ft. per month, disc't 55c, net price, .95
Over 30000 up to and includ'g 50000 cub. ft. per month, disc't 65c, net price, .85

And the Company wish further to announce that after June 1st, 1905, all gas bills that are not paid by the 10th of the month for all gas used during the previous month will be collected at the established price of \$1.50 per one thousand cubic feet.

There is no city anywhere the size of Barre, and but very few larger cities in New England, that sell gas at so low a rate.
